

A young woman with voluminous, curly hair is smiling broadly while holding a large cardboard box. She is wearing a grey t-shirt. The background is a soft-focus indoor setting. A dark blue horizontal bar is overlaid on the left side of the image, containing the ShipStation logo. A white horizontal bar is overlaid on the right side, containing the text 'WELCOME TO SHIPPING NIRVANA'. At the bottom, there is a white text line 'Seamlessly Integrates with' above the Magento logo, and a dark blue footer bar with the text 'Get Ship Done | ShipStation.com'.

What is ShipStation?

ShipStation offers the quickest, easiest, and most affordable way for online sellers to get orders to their customers. Import, manage, and ship all of your orders using your favorite marketplaces, shopping carts, and shipping carriers. Manage all of this easily via one simple interface.

KEY FEATURES

ACCESS SHIPSTATION FROM ANY DEVICE

No software to download. Use our mobile app to ship orders or track insights on-the-go.

INTEGRATE WITH MULTIPLE CHANNELS

Integrated with more selling channels and carriers than any other solution.

EASY

Login, connect to stores and start printing hundreds of labels in one batch.

AUTOMATED

Automate almost any step of the shipping process.

Branded Customer Pages

Keep your customers coming back with the branded tracking page and returns portal. From check-out to delivery, the full order experience has your brand's personal touch.

TRACKING

Increase trust in your brand when customers track their packages from your own branded page, not the carrier's.

RETURNS

Don't waste money printing outgoing return labels that may go unused. Customers can create return labels themselves from your branded returns portal.

COLOR PICKER

Your logo, your brand colors. All post-checkout pages themed with your color set and company info.

ITEM LIST

Customers see their order information (item name, pictures, quantity, price) when they track their package.

MOBILE & SOCIAL LINKS

Customers can view the branded pages from a phone or tablet! Include your social links to increase likes and engagement.
